

Dear Parent/Carer

The proof cards from Yellow for the Year 7 & 11 group photos will be sent out to students today (25th October) via their tutor.

Unfortunately all of the proof cards have 2018-19 written on them instead of 2019-20. Yellow are aware of this, but have asked that we still distribute the proof cards and advise parents that any photos ordered will have the correct year printed on them.

Thank you for your understanding,  
Thornden School
