Dear Parents/Carers.

Following the success of our Year groups support of Mission Christmas last year, we have decided to support this charity once more in the run up to the festive season.

Last year we donated over 300 gifts to Wave 105's Charity Mission Christmas which meant across the South of England over 300 children received a gift they may not have had.

They are always desperately short of gifts for teenagers so if possible these are the presents we would like to focus on, but of course all will be gratefully received.

Ideas include:

Aged 0-3 years: teddies, musical toys, My first Toys, Rattles, books.

Aged 3-5 years: cars, dolls, jigsaws, dress up items, playdoh, colouring books and pencils.

Aged 7-9 years: footballs, board games, stationary sets.

Aged 9-12 years: board games, make up sets, toiletries.

Aged 12-18 years: toiletries, electrical items (eg mini speakers, head phones), aftershaves/perfumes, jewellery, puzzles, make up, books...

If you and your child would like to support this again this year, please can you ensure that all donations are new and unwrapped and given to their tutor by Monday 9th of December as this will give me enough time to organise them to be delivered to our local drop off point that week.

Many thanks for your support.

Emma Parker  
Head of Year 9.
